## WEATHER CO-OPERATES FOR CARAVAN VISIT

Beautiful summer weather greeted the Centennial Caravan at stops last weekend in Evansburg and Drayton Valley.

Evansburg was one of the fortunate communities to have the caravan in town on Dominion Day, Canada's 100th birthday.

Residents made full use of the opportunity and the town was filled with a holiday crowd for the many events of the day.

Drayton Valley, too was favored with sunny skies when the caravan arrived Sunday morning from the Evansburg stop.

Official opening was performed at Evansburg by Bill Switzer, M.L.A. for Edson Constituency and at Drayton Valley by Ralph Jespersen, M.L.A. for Stony Plain Constituency.

Both communities had stage attractions, featuring local talent, running constantly throughout the day. Along with large crowds touring the caravan visitors enjoyed the entertainment provided at both points.

Evansburg's festivities started Friday with dances and the crowning of the Centennial Queen. A mammoth parade got things underway Saturday morning.

Senior Citizens Certificates were presented during the afternoon along with a novelty track meet and gymkhana.

To round out events at Ev-

ansburg a ball was held in the evening and a golf tournament Sunday.

In Drayton Valley youngsters paraded to the Caravan site led by the Trochu Band as soon as it was set up at 10:30

a.m. and official opening ceremonies followed.

On Sunday 5,763 persons viewed the caravan in Drayton Valley.

The caravan was closed Monday and re-opened Tuesday.

## Delegation Satisfied With Meeting Results

A delegation of Drayton Valley and area residents came away from a meeting with provincial government authorities in Edmonton Friday with the assurance that I.D. 77 ratepayers will have the opportunity of helping to shape the future of the area in deciding the course to follow in regard to annexation bids by Stony Plain Municipal District and the County of Leduc.

The delegation approached the Minister of Municipal Affairs Hon. A.J. Hooke to determine the status of I.D. residents who were apparently disturbed by the two annexation bids and the possibility that their voices might not be heard in the proceedings.

As a result of the meeting an advisory board elected by district ratepayers will be set up to represent the I.D. while that status is maintained. At the same time meetings will

## Visitor 'Drops' In

An unexpected visitor dropped in at the Burki family's River Isle Hereford Ranch on Highway 57 north of Drayton Valley one day last week. The visit was a spectacular one that got a lot of attention from members of the family.

A small float equipped aircraft on a trip from Vancouver to Toronto ran out of gas in the area and headed for the nearest water -- a small, relatively clear stretch of the Pembina River near the ranch home.

The pilot landed the plane without too much room to spare and then to round out his day's excitement found the path up from the river filled by one of the ranch bulls. He reached the house by a circuitous route.

Dan Burki says he was sure the plane couldn't land where it did, and even surer that the pilot wouldn't get it out again. But make it he did and headed east to continue his briefly interrupted trip to Toronto.

## Two Boys Lose Lives In Dugout

Two Drayton Valley district boys were drowned Monday afternoon in a farm dugout a mile north of Rocky Rapids.

The two boys, Ralph Erwin Schadeck, 14, son of Mr. and Mrs. Edward Schadeck of Tomahawk, and Irvin Richard Combs, 14, son of Mr. and Mrs. Irvin Combs of Rocky Rapids lost their lives in the deep dugout slough while swimming with four other youths.

The drowning occurred at about 4:15 p.m. and the bodies recovered at 9:20. The R.C.M.P. conducted the recovery assisted by members of the Drayton Valley Town Police and Fire Department and a number of volunteers.

Heavy weed growth made dragging operations unsuccessful and water in the slough was lowered by pump trucks from J and A Trucking, Drayton Valley Tank Trucks and Morrill's Water Well Drilling in order to reach the boys.

Scuba diving attempts were also made by Brian Minchin of the Drayton Valley Volunteer Fire Department.

Funeral services for Ralph Schadeck will be held Thursday afternoon July 6th at 2:00

p.m. at Immanuel Lutheran Church in Tomahawk.

## Tomahawk Youth Gives R.C.M.P. Class Graduation Address

John H. Gilbert, 20, son of Mr. and Mrs. Howard R. Gilbert of Tomahawk, was among the 31 R.C.M.P. constables who took part in a graduation ceremony at Penhold on June 6th.

Constable Gilbert won an additional honor in being selected to deliver the graduation address for his class before a large audience attending the ceremony. Parents and the public saw the new policemen taking part in drills and inspection and later joined them in a buffet supper and reception.

Mr. and Mrs. Gilbert traveled to Penhold to attend the ceremony.

Constable Gilbert joined the force about six months ago, spending three months in training at Regina and the last three months of advance training in Penhold. His first posting is to Ottawa for four months duty at the Parliament Buildings and then to Victoria, B.C.

Educated in Tomahawk and Alberta College in Edmonton, he worked briefly for the Department of Transport on the MacKenzie River before joining the R.C.M.P. He applied for entrance in the Mounted Police through the Drayton Valley Division.

In his graduation address, Constable Gilbert outlined the training routine for the benefit of civilians in the audience, and recalled incidents during the course that will be fond memories for the young policemen of 0-66/7 Troop in later years.

### Thief Gets What Fire Left

It seems misfortune has a habit of piling up as Mrs. Pat Minchin and her son Brian found out recently.

Their home was damaged by fire earlier last month and they sent many of their clothes and household articles out for cleaning. Rather than take them back into the house before repairs were completed Brian left them in the NADP office.

When it was time to move back into the house, Brian found that someone had beaten him to the moving job and several articles of clothing, including his mother's fur coat were gone.

### BERRYMOOR

Mrs. Bea Cropley,

Shirley Martins house was filled to capacity on Saturday evening when folks gathered to give Gloria Campbell a lovely shower. She received a nice variety of useful gifts for which Gloria and Allan thanked everyone present. A lovely lunch was served.

We forgot to mention last week that we are glad to see that Patsy Robb is home again after spending a couple of days in Drayton Valley Hospital.

Gordon Holmgren's house is up on skids ready for the cement foundations to be poured. Anyone visiting the Holmgren's should be prepared to do a little high stepping to get in to the house.

Bill Roberts bought a house in Warburg and is hoping to get it moved before too long, to his farm near the Drayton Highway.

How many folks know about the lovely campsite just north of Drayton Valley. The Martins, Roberts, and Cropleys enjoyed a cook-out there on Sunday evening. Quite a few folks were enjoying themselves there, setting up tents, cooking supper and wandering around among the beautiful trees.

Our deepest sympathy is extended to the Collison family of Winfield who lost three children by drowning when they were holidaying in Chilliwack B.C.

# Celebrating 75 years of brewing the "GREAT BEER!"

Back in 1892, the first Calgary Beer was brewed. Great beer then! Great beer now!

Even then, we had our own spring of pure, crystal water. "Calgary" has been brewed with this same perfect water for 75 years. Naturally!

Here's our new Diamond Jubilee label. It marks 75 years of brewing Alberta's "great beer".

## Jackpot Gymkhana Held by Pembina River Riders Club

The co-operation of the weather, riders and spectators made the first Jackpot Gymkhana by the Pembina River Riders a huge success.

Club members would like to thank all the willing workers who worked hard all afternoon and the horse owners that came out on the highways on such a busy weekend. Our gate receipts showed that over 600 persons paid to see the show.

We hope you all enjoyed your afternoon and do come and see our next Gymkhana on July 16th.

Results for the day were as follows:

### Adult Events:

There was one other novelty race for the executive only, the men did well indeed but two of us took a form of punishment that is best not even mentioned. The ground looks far away even if you are on the smaller ponies, like I choose to ride and Shirley, you were brave, you picked a big one.

All in all our Gymkhana was a success, we are a very happy club and do come, enjoy yourselves or better yet, come and ride. We would like to see more new faces every day the Pembina River Riders hold a gymkhana.

There is a meeting Monday, July 10th and the next Gymkhana is on July 16th.

## United Church Setting For Candle-Light Ceremony

A lovely candle-light ceremony was held in the Drayton Valley United Church at three o'clock on Saturday, June 17th, when Miss Lorena Joy Lilje, youngest daughter of Mr. and Mrs. Everest Lilje, of Drayton Valley, became the bride of Mr. Robert William Horvath, son of Mr. and Mrs. George Horvath of Breton, Alberta.

Long white tapers and baskets of white Gladioli decorated the altar for the double-ring ceremony performed by Rev. Martin.

Mrs. Howard Pickup was organist for the occasion and Mr. Ricky Simon sang The Wedding Prayer and Whither Thou Goest.

Given in marriage by her father, the bride chose a gown of white peau de soie over which was worn a floor length fitted coat of lace featuring long sleeves, and bustle at back. She carried a bouquet of yellow roses and her only jewellery was a pair of diamond stud earrings, gift from the groom.

Attending the bride as Matron of Honor was Mrs. Mildred Fry, the bride's sister. Bridesmaids were Mrs. Arlene Mykyte, also the bride's sister, and Mrs. Val Hunter. Little Rhonda Nelson was flower girl. All were dressed identically in dresses of orange peau de soie featuring bell-shaped sleeves and full-backed skirts. Matching head pieces of orange net were worn with accessories in white. Each carried a bouquet of white carnations.

Attending the groom as best man was Mr. Dennis Hayden, of Whitecourt. Also attending the groom were Mr. Harvey Nelson of Drayton Valley and Mr. Bob Hunter of Calgary. Master Gary Nelson was ring bearer for the occasion. Mr. Berdett Lilje, the bride's brother, and Mr. Jim Clark were ushers.

For her daughter's wedding, Mrs. Lilje chose a two piece dress of orange brocade, complemented by a corsage of a

single white orchid and white accessories. The groom's mother chose a blue suit trimmed in lace and wore a corsage of red roses.

Following the ceremony a reception was held for 240 guests in the Elks Hall.

The head table was centred by a beautifully decorated three tiered wedding cake resembling a church.

Acting as Master of Ceremonies was Mr. Bert Dennis, of Red Deer. During the reception Mr. Roy Dalhstedt of Edmonton gave a toast to the bride to which a fitting reply was made by the groom. Mr. Dennis Hayden then proposed a toast to the bridesmaids. Many telegrams were read throughout the evening, including one from the groom's brother, living in Toronto, Ontario.

Following the reception a dance was held and enjoyed by all.

For her going-away outfit the bride changed into a three piece pink suit and wore white accessories.

Attending the happy occasion were many out-of-town guests from such points as Whitecourt, Edmonton, Calgary, Fort McMurray, Wetaskiwin, St. Paul, Caley, Nanaton, Vancouver and Yorkton, Sask.

A honeymoon trip which was to take the happy couple by train to Toronto and Niagara Falls and then by plane home was very sadly postponed when word was received the following day that Lorena was in the Wainwright General Hospital. She had an attack of appendicitis about an hour after boarding the train and had to be taken off at Wainwright where she underwent an operation on Monday morning.

Everyone wishes her a very speedy recovery and hopes that their new plans of spending a week at the coast resting in the sun is most enjoyable.

The happy young couple will be residing in Calgary where Bob is employed as an accountant by Mobil Oil and Lorena with the Alberta Crippled Children's Hospital.

### Alberta Crew Still In Third Place

Winnipegosis will remain etched in the memories of the Alberta Voyageurs when they finish their Centennial Canoe Pageant as the first place along the 1200 miles covered so far that the paddlers have been taken into people's homes, and provided with showers, coffee and home baked cakes and cookies.

Crane River can't have more than twenty houses, yet the residents got together and served up the largest steaks they had ever seen along with bannock bread and butter and bushels of baked potatoes, which were especially appreciated in the cold, driving wind and rain.

The Alberta paddlers are in good health with only the usual sore muscles and shoulders. Adam Borys had to go back to Medicine Hat and Sid Webb of Edmonton has replaced him on the team.

When it comes to evening entertainment, the Alberta crew of Vic Maxwell of Rocky Mountain House, Ken Hardy of Edmonton and Dave Ellery of Drayton Valley have teamed up with one lad each from New Brunswick and Ontario to turn out a really live western singing group.

Several of the crew looked forward to seeing their wives and families in Winnipeg where they got two days off last week.

They went steaming back to action on the 1st of July for their first appearance at the Manitoba Legislative Building and a T.V. appearance the same afternoon.

The Alberta team is still in third place in the overall standing.

Two salesmen watched apprehensively as the 4-legged Martian clumped through the door of their men's clothing shop. "Quick, Morris," whispered one clerk to the other, "Hide the 'Alterations Free' sign."

Local Lady: "Doctor, I wish you would see my husband. He blows smoke rings from his nose, I'm terribly frightened."

Psychiatrist: "Well, that's a bit unusual that he blows

them from his nose, but nothing to be alarmed about; many smokers blow smoke rings by the hour."

Lady: "I know, doctor, but my husband doesn't smoke."

## Recreation Round-Up

By  
Mike Gormley

#### VOTE OF THANKS

We of the Drayton Valley Recreation Board and the Drayton Valley Athletic Association wish to extend a sincere vote of thanks to the Drayton Valley Lions Club for another of their many and varied donations to the local recreation program. Recently the Lions donated a complete new set of uniforms to suit up our Mid-get baseball team. The new uniforms are beautiful, gray in color with blue and gold trim, gold caps, blue socks with the Lions insignia both on the uniforms and on the caps. A very fitting and very colorful uniform, one that any team would be honored to wear on any field.

It is doubtful at this time if these new uniforms will be put into service this summer because with the holiday season on us, our minor baseball program is pretty much over for this year.

Next spring, however, rest assured that a Drayton Valley team will be proudly wearing these colors on the local diamond as well as on those in the surrounding district.

Just a word about baseball in general in passing. It was not a good season. We got off to a very late start with all categories, registration in general was very low and frequently the weather was not very favorable. Now it is holiday time and we never have had any success promoting baseball in this community after July 1, in any given year and it is safe to say that this year will be no exception.

Once again many thanks to our Lions Club for these exquisite baseball uniforms and for their continuous support in our recreation program over the years. The development of the West Valley Recreation Park, a Lions project, has been a tremendous boost to recreation in this community. The new Lions Park with its splendid picnic area and its many and varied athletic facilities will be one of the finest of its kind in the province.

#### LEADERSHIP SCHOOL

Two local girls are off to the annual Recreation Leadership School at the Vocational High School in Drumheller. The school runs from July 3 to

July 29. The purpose of this leadership school is to provide persons interested in leading recreation activities with the opportunity to develop their leadership skills.

The school offers a two-year course. Candidates successfully completing the course requirements will be certified with a letter of credit after their first year and a Recreation Activity Leader's Certificate after the second year.

The girls from Drayton Valley presently attending this school are Linda McMorris and Glenda Galloway. Linda, who successfully completed her first year in 1966 will be trying for her Recreation Activity Leader's Certificate. She is sponsored by the Drayton Valley Rotary Club. Glenda will be attending the school for the first time this summer and is sponsored by the Drayton Valley Lions Club. The sponsors pay the candidate's registration fee at the school and act in an advisory capacity both in regard to the choice of subjects taken by the candidate and the phases of leadership in community activities upon her return.

We can look forward to these young people returning to the community and offering assistance with their leadership in the different phases of our recreation program.

#### POOL PROGRAM

The regular summer program has gone into effect at the Drayton Valley Swimming Pool. During the months of July and August the pool will open at 10 a.m. and close at 10 p.m. Monday through Friday. On Saturday and Sunday we will offer public swimming from 1 p.m. to 5:30 p.m. and from 7 p.m. until 9:50 p.m. For further information concerning the program contact the Pool Office. Schedules are available and detailed information in regard to swimming instruction and all other spheres of the program can be obtained from the pool cashier.

Four sets of swimming instruction classes will be held during the months of July and August. All levels of Red

Cross instruction will be offered during each set of lessons. All classes for July are presently filled to a maximum. There are still some openings for candidates at all levels in August. Anyone wishing to take instruction during the month of August should register at the earliest opportunity because classes are rapidly filling up and after a maximum registration has been reached no more registrations can be accepted for this year.

Fifteen young persons between the age of twelve and sixteen have been chosen to form the Junior Leader Corps. This group will work with the lifeguards and perform certain duties in respect to the maintenance, operation and pool program under the direction of Sharon Phelan.

Miss Phelan is also interested in synchronized swimming and would like to introduce it into the pool program. No special qualifications are necessary to take part except a bit of enthusiasm. If interested call at the pool and leave your name with Mrs. Vig or Mrs. Mattoon. In connection with synchronized swimming, a water show is planned for the local pool on Sunday, August 20. Here we need lots of ideas and lots of help. If interested contact Sharon Phelan or any member of the pool staff.

The Early Bird Swim has been well attended to date this year. The favorable weather seems to have been a deciding factor in this case. The Early Bird Club has some thirty members now which is quite a climb from the regular dozen or less in past years.

#### HOLIDAY TIME

I will be leaving on my holidays on July 11th and will be away for three weeks. I will be travelling East and plan to visit Expo among other places. All matters pertaining to the Recreation program will be handled through the Administrative Office in my absence. Sharon Phelan will be in charge of the swimming pool program. With the summer programs well established this seems like the ideal time for a holiday. See you early in August.

## D. V. Highlights

BY MRS EDITH DEBY

On Monday, July 10, Mrs. William Drake will celebrate her eighty-fifth birthday. Mrs. Drake is one of our very first pioneers having arrived in Drayton Valley several years before the First World War. She and her husband had the first post-office and a general store in addition to their farming operation. Best wishes for a happy birthday, Mrs. Drake.

Mrs. Reynolds, a former resident of the Easyford district, has bought a house in Drayton Valley and will be moving in shortly.

Mr. and Mrs. Cull, with grandson Ronald Klevin as chauffeur, have gone to B.C. for a three week holiday.

Mr. and Mrs. Henry Dunnington are visiting relatives in Calgary this week.

Tommy Tucker, son of Mr. and Mrs. Leslie Tucker, was taken to the local hospital last Saturday suffering from an attack of rheumatic fever. Mighty poor way to spend a holiday, isn't it Tommy?

Not a drop of rain fell to mar the postponed Farm Union Picnic last Sunday. The crowd gathered shortly after noon at the picnic site on the Pembina River. Following a sumptuous picnic lunch a program of games and swimming was enjoyed.

Mr. Bud Landreth has been ill for some weeks and was moved from the local hospital to Edmonton recently. Mr. Landreth is in charge of Pan American's Drayton Valley office.

The Ericksons are back from their Swedish trip with thirteen rolls of movie film all of us are waiting impatiently for it to be developed. Six weeks passed all too quickly for there were many relatives to be visited and friends and relatives of friends to be looked up. Inevitably there were some disappointments. Mr. Sveen, Edwin's first music teacher in Drayton Valley,

now living in Sweden, was too far away. Ole Grotte, for many years a resident of Pembina, was out when the Ericksons called and their tight schedule did not permit them to wait. They did see Eric Edholm's sister and brothers, relatives of Carl Anderson and a son of Mr. Albert Stordalsvoll. Nels Stordalsvoll has lived in Sweden since the Germans invaded Norway during the last war. The Ericksons have evidently lost their hearts to Sweden and we can only hope that they won't decide to become permanent residents of that country.

Our deepest sympathy is extended to the Combs and Schadeck families in their recent sad bereavement.

Mr. Albert Stordalsvoll, of Creston, who has been visiting the family farm here, is a patient in an Edmonton hospital where his condition is reported to be satisfactory.

Mr. and Mrs. William Dymond, of Truro, Cornwall, are the guests of their daughter and son-in-law, Mr. and Mrs. Roy Burrows. The Dymonds travelled by Wardair and were met by their relatives in Calgary. Mr. Dymond is a retired farmer.

### New Doctor

Dr. Arnold Voth, M.D. is joining the Medical Centre medical staff for the summer months to relieve Drs. MacLure and Lewis during the holiday period.

He is a graduate of Saskatchewan University and has just completed a year's hospital residency in Philadelphia.

### Gymkhana Sunday

The Lariat Gymkhana Club will hold a gymkhana at 2:00 p.m. on Sunday, July 9th at the grounds in the West Valley Park in Drayton Valley.

Annual picnic and sports day was held Friday at Sundance in conjunction with the 4-H Beef Club Achievement Day.

Skies threatened during the afternoon but except for cold, gusty winds off Lake Wabamun and spots of rain the weather co-operated in helping to make the day a success.

Eight 4-H calves were shown and judged by Leo and Dan Burki of River Isle Hereford Ranch near Drayton Valley, assisted by Stan MacArthur, Agricultural Fieldman from Evansburg. Club members will show and sell their calves at the Achievement Day in Stony Plain on July 6th.

Club winners were: 1st Donna Bamber; 2nd, Peggy Wood; and 3rd Brian Wood. Following the show by the senior club members, five Pee-Wee members showed and sold their calves.

### ROCKY RAPIDS

The Rocky Rapids Community League Supper and Dance scheduled for July 7th has been postponed due to the tragic drowning of two community youths. Tickets will be redeemed by club members who sold them.

The people of the community extend sympathy condolences to Mr. and Mrs. Edward Schadeck and family and Mr. and Mrs. Irvin Combs and family.

## Pioneer Dies At Tomahawk

Funeral services will be held in Drayton Valley, Friday, July 7th for Tomahawk old-timer, John Edward Campbell who passed away July 3rd at the age of 73.

Services will be held in All Saints Anglican Church at 2:00 p.m. and interment will take place in the Rocky Rapids Cemetery.

Mr. Campbell was born in Magnatawan, Ontario and came to Alberta with his parents in 1900.

He served overseas with the 10th Battalion, Canadian Army in the first World War and homesteaded in Tomahawk in

## VIOLET GROVE NEWS

Mrs. Elsie Amdt,  
Correspondent

Congratulations to Mr. and Mrs. Art Smith and Mr. and Mrs. Stan Mohn on the birth of their grandson.

Friday was about the happiest day of the year for the school children I guess, and who deserves a holiday more than they after all the efforts they put forth the past ten months. This was proved by the award winners at the Junior High School last Thursday. Among the many students receiving awards were Irene Woolsey who received an honors award. Congratulations Irene and also congratulations to the merit award winners, Pat Grue, Verna Beckett and Evelyn Obst. St. Anthony's Separate School Trackmeet meant many more winners for our community.

Gilbert Teeter, Grade 6--1st softball throw; 1st broadjump; and 3rd relay race.

Linda Teeter, Grade 5--1st Relay Race; 3rd High Jump. Linda also took 1st for Grade 6 relay race.

Barbara Teeter, Grade 3, 1st Three-legged race; 1st broadjump.

Randy Teeter, Grade 1--3rd High Jump.

Lorraine Pequin, Grade 4--1st High Jump; 1st softball throw; 1st running broadjump; and 1st 75 yard dash.

Louie Pequin, Grade 6--2nd high jump.

Arlene Dahl, Grade 2--1st wheelbarrow race.

Karen Chaput, Grade 6--3rd relay race.

Stanley Parenteau, Grade 4, 1st softball throw; 1st relay race; 2nd running broadjump; 2nd dash.

Leonard Janes Jr., Grade 1-2nd sack race; 3rd 3-legged race.

Special congratulations to you all.

Visitors at the Louie Pequin home this weekend were Mr. and Mrs. John Teeter of Wainwright. Louie Jr. and Lorraine Pequin are going to spend part of their summer holidays with their sister in Wainwright. Happy holidays kids.

A baby shower for Mrs. Arnold Mohn's new arrival is to be held on July 11th at 8 p.m. in the Violet Grove Community Hall. Ladies are asked to please bring lunch.

The community expresses sincere thanks to Ed and Theresa of Ed's General Store for their tremendous help in making our community picnic a big success.

Mr. Bill Beckett and granddaughter Margreat left Tuesday for Saskatoon where they will spend some time at the Pion Era.

## Tips on Food For Picnics

A few words about carrying foods to picnics.

Care should be taken to keep hot foods hot and cold foods cold if you want to avoid food poisoning. This is particularly true with large groups.

Wrapping hot or cold foods in newspaper or blankets, or placing in an insulated carrier will help maintain temperature.

Foods to be served cool should be covered and chilled immediately after cooking. Leave foods in the pan in which they were cooked since

the pan has been sterilized in cooking.

Be particularly careful with moist and creamy foods such as custards, meat salads and egg or potato salad.

Fresh meat should be kept refrigerated but if you must leave it out of the fridge a few hours before cooking, wrap and freeze the meat before going on the picnic. This will help to keep other foods cool, too.

The first commercial sale of Alberta oil took place in 1886, when oil seepage in the Waterton Lakes area was collected and sold for axle grease at a dollar a gallon.

## FASTBALL RESULTS

Results of games played last week are:

Monday--Pembina Pipe 15, Businessmen 2; Pembina Meter 16, Pan American 9; Catholic Church 16, Mobil Oil 15.

Wednesday--Pan American 17, Catholic Church 5; Pembina Meter 8, Businessmen 2; Mobil Oil 4, Pembina Pipe 3.

	W	L	T	Pts

Pembina Pipe	11	2	1	23
Pan American	9	5	0	18
Mobil Oil	3	9	1	7
Catholic Church	3	11	0	6
Businessmen	2	11	0	4

## July Food Outlook

OTTAWA--Poultry meat prices are likely to remain low during July but beef prices are expected to rise as a result of a strong domestic demand. Here is the detailed outlook from CDA economists:

**Poultry Meat:** With large stocks and increased production, poultry meat prices, especially chicken and fowl, are likely to remain low.

**Eggs:** Current production is high and prices are expected to remain low until the seasonal decline in production begins later in the summer.

**Beef:** Strong domestic demand, reinforced by Expo visitors, is expected to strengthen prices.

**Pork:** Supplies are plentiful and prices are expected to remain steady.
